Declares to have read carefully and to approve the Reglement of the free cycling ride named "Duomo-Stelvio" LINK: <https://team100-1.it/duomostelvio/> (hereafter named "event") distance around 230km, organized by TEAM 100.1 SSD e RL (hereafter briefly the ORGANIZING SSD).

Aware of criminal consequences he can undergo in case of false statement (art. 46 and 76 DPR 445/2000) under its own responsibility

DECLARES that

- 1- I have taken note that the event on which I am participating is a not competitive, psycho-physical endurance challenge without ranking;
- 2- I am actually physically fit without apparent contraindications to fulfill this cycling ride in a completely safe way concerning my body being aware of the fact that there is no technical support and assistance and no medical assistance;
- 3- I have a valid medical examination/fitness certificate to practice cycling sport (no triathlon, no athletics, no swim) and I possess a valid UCI licence or similar (refer to DM 24/04/2013) and that the certificate is in possession of the club; in case of non possession of an official UCI licence I declare to have signed the "tessera gionaliera FCI" and to have signed the ethic self-declaration;
- 4- I have subscribed a public liability insurance that grants the adequate coverage for eventual damages occurred or caused during this cycling event;
- 5- I have read and am aware of the route, the elevation, of the program together with the weather and street conditions that could be difficult (sun, wind, rain, hailstorm, lightning, cold, night, darkness, fog, snow, ice, tornado, free/wild animals, etc. etc.) and I am therefore aware of the risks for myself and for other persons participating to the event in total self-sufficiency, taking these risks;
- 6- I am completely aware of the traffic rules and that I will strictly follow them avoiding every possible violation;
- 7- I have read, know and respect all the information and the rules regarding the cycling ride, I have checked that my bicycle has a correct and functioning breaking system and that the tyres are in good conditions and, generally speaking, that I am the only responsible;
- 8- I do not make use of doping, drugs or any kind of medical substances that could affect the sport performance or, in any case, cause damage or danger situation for myself or others and have subscribed the self-declaration as per DPR 445 of 28/12/2000

IS AWARE OF and ACCEPTS UNCONDITIONALLY FOLLOWING POINTS

- 9- that the route is not marked but identifiable via GPX trace and/or road map;
- 10- that it is a not competitive race, there is no ranking, no time keeping;
- 11- that every cyclist travels on its own risk and is considered in a free personal ride without any further right compared to the other street users;
- 12- that every cyclist is the only responsible for its false behavior or, anyhow, violation of the traffic rules that I perfectly know, that there is no medical, mechanical assistance, no food service from the organization, there is no sweep car service, that there are no obligations for the organizers to search participants on the route during the cycling event;

- 13- that I am committed to warn the Organizing SSD, in case of withdraw, by calling the number written on the bib and on the envelope contained in the PARTICIPATION KIT;
- 14- that there is no obligation for the Organizing SSD to control the routes where the cyclists ride during the event;
- 15- that the Organizing SSD is not a professional organization, but acts only for fun and not for assets purpose (1174 Cod. Civ.) and, therefore, the participation to the ride is a free choice only for fun, in any case not for patrimonial reasons. A consequence of above is that the Organization SSD has no responsibility, and is in any case indemnified from, connected to the cycling ride. The Organization SSD is furthermore indemnified for eventualities occurred to the cyclist during the event (such as accidents, route failure, physical problems, thefts, etc. etc.); I am fully aware, and I take the risk, that I could be blessed and/or incapacitated finding myself in a place where there could not be the possibility to be rescued in time in order to avoid physical, or fatal, damages. Therefore the cycling ride has to be intended only as a personal, spontaneous and independent participation to a meeting of recreational and amateur cyclists;
- 16- that the Organizing SSD, only for hospitality purpose without being entitled to (ex art 1174 e ss Cod. Civ.), can offer to the participants one or more food stations and can provide the luggage transportation from start to finish;
- 17- that therefore the cyclist participating to the free ride, waiver to every possible legal action against the Organizing SSD, acknowledging that it is not a professional Organization Company who is acting only for fun not being enabled to act for patrimonial reasons (ex art 1174 Cod. Civ)

DURING THE RIDE THE CYCLIST IS COMMITTED TO

- 18- strictly and obligatorily follow the traffic regulations and the REGOLAMENTO PER L'UTILIZZO E LA FRUIZIONE DELLE PISTE CICLO PEDONALI DELLA COMUNITÀ MONTANA VALTELLINA DI SONDRIO (the cycle path Sentiero Valtellina);
- 19- wear a standard-recognized helmet with closed chinstraps during the whole event, have a repair kit with replacement tubes for punctures, rain jacket and survival sheet;
- 20- refrain from creating groups that can obstacle the car traffic and meanwhile facilitate it;
- 21- travel in a row and make use, when possible, of cycling paths;
- 22- be equipped with front and rear light tightly fixed on the bike, adequate for insufficient daylight
- 23- obligatory wear luminescent straps and eventually light signals in case of night and/or tunnel ride;
- 24- not throw any litter on the street but throw it in their special containers;
- 25- have a respectful and correct conduct vs. the other participants and vs. whoever is on the route;
- 26- to fully respect the guidelines of the F.C.I., the protocols and the national and regional (Lombardia) rules "Covid 19"
- 27- to eventually sign the F.C.I. model – "Autodichiarazione Covid 19 dell'Atleta"

The undersigned declares to have read and to specifically approve, also pursuant to and for the purposes of the

art.1341 Cod. Civ., following points:

-2- to be actually in good shape without any apparent contraindication to consent the participation to this cycling ride in complete safety conditions, concerning his physical conditions, and to be aware of the fact that there is no mechanical and medical assistance; -4- to have a policy of public liability insurance through a SSD club or a F.C.I./UCI recognized club and/or having personally subscribed, and therefore being covered by, a specific insurance policy which grants adequate coverage for damages eventually occurred or caused during this cycling ride; -11- that every cyclist is riding on its own risk and danger and is considered in a personal free ride without any major right compared to the other road users; -12- that every rider is the only responsible for his wrong behavior/conduct, or in any case in violation, to the traffic rules he perfectly knows; that he is perfectly aware of the fact that there is no medical assistance, food service, mechanical assistance from the organizers, that there is no sweep car service, that there is no obligation for the organizers to search participants in the route during their cycling ride; -15- that the Organizing SSD is not a professional organizing Company, but acts only for fun purposes and not patrimonial ones (1174 Cod. Civ.) and that therefore the participation to the ride is always exclusively as a personal choice and only for fun and not for patrimonial purposes. The Organizing SSD is furthermore indemnified and without responsibilities connected with the cycling ride. The organizer is also indemnified from every responsibility regarding eventualities (such as accidents, withdraws, physical problems, thefts etc. etc.) occurred to the cyclist during the event; I am fully aware, and I take the risk, that I could be blessed and/or incapacitated finding myself in a place where there could not be the possibility to be rescued in time in order to avoid physical, or fatal, damages. Therefore the cycling ride has to be intended only as a personal, spontaneous and independent participation to a meeting of recreational and amateur cyclists; -16- that only for courtesy, without being properly entitled to (ex art 1174 e ss Cod. Civ.) the Organizing SSD can organize one or more food stations for the participants and also provide the luggage transportation (one piece/participant) from start to finish; -17- that, therefore, the participant to the event refrains from every legal action for every possible reason against the Organizing SSD, by acknowledging that the SSD is not a professional Company that acts only for fun purposes without qualification (ex art 1174 Cod. Civ.) -26- following the guidelines of F.C.I., the national and regional (Lombardia) "Covid 19" rules.
